Pursuant to Magistrate Judge Robert M. Levy's directive on August 16, 2024, the Parties, by and through their respective undersigned counsels, submit this Joint Status Report as follows:

The parties attended a private mediation on October 1, 2024. At this time, the parties are in the process of obtaining the required consent from various State agencies for the potential resolution of plaintiff's claims. This process is lengthy and has caused a delay in confirming whether the parties have a settlement in principle.

As such, the parties respectfully request an additional 45 days (until on or about December 16, 2024, the first business day after the deadline) to coordinate the potential settlement terms for approval and signature. In addition, the parties respectfully request that discovery remain stayed pending this approval process.

We thank the Court for its time and attention to this matter.
